DNA INFORMATION & PARENTAGE VERIFICATION

You must submit either a DNA sample or a copy of a DNA marker report (from a recognized lab) for every mare, filly, stallion, or not-gelded colt being registered in the USA.

You must check one:

❑ DNA sample, FSA DNA Submission Form, and payment included.

❑ UC Davis DNA Case # _____ (Include a copy of the DNA marker report with this registration application.)

❑ I am registering a gelding.

❑ I am registering a horse outside of the USA.

❑ I am submitting a copy of a DNA marker report from a lab other than UC Davis and I realize there is an additional $10 fee to have this transferred to the FSA's UC Davis DNA database.

❑ I am hoping this horse is eligible for hardship registration. I have already contacted the FSA. (You must contact the registry first before attempting to submit paperwork and DNA for hardship registration.)

EVERY MARE, FILLY, STALLION, and NOT-GELDED COLT registered in the USA MUST HAVE A DNA MARKER REPORT ON FILE.

(DNA exemptions: Only GELDINGS are exempt from the DNA requirement.)

You must include at least one of the following:

❑ Breeder's Certificate or other documentation signed by the STALLION OWNER and the MARE OWNER / BREEDER, verifying parentage and verifying breeding and foaling dates.

❑ Copy of previously issued registration papers (from a recognized registry.)

SIRE and DAM INFORMATION:

Please submit copies of the sire and dam's registration papers if they are registered.

**** At least one parent MUST be registered. ****

***** You must be able to PROVE via pedigree the horse being registered is part Friesian *****
