Application for Registration ~ pg 2

Is the horse being registered at least 25% Friesian and can this be proven via pedigree? yes no

Is at least one parent Friesian or part-Friesian and registered? yes no

Do you have a copy of that parent's papers? yes no

If you answered "NO" to any of these questions, this horse is not eligible for registration.

(Only 12.5% Friesian blood is required if applying for the Friesian Warmblood Book.) (Must meet specific pedigree requirements for the Friesian Warmblood Book.) Check here if you are applying for Friesian Warmblood Book registration: yes

DNA INFORMATION & PARENTAGE VERIFICATION

You must submit either a DNA sample or a copy of a DNA marker report (from a recognized lab) for every mare, filly, stallion, or not-gelded colt being registered in the USA.

You must check one:

- DNA sample, FSA DNA Submission Form, and payment included.
- UC Davis DNA Case # _____ (Include a copy of the DNA marker report with this registration application.)
- I am registering a gelding.
- I am registering a horse outside of the USA.
- I am submitting a copy of a DNA marker report from a lab other than UC Davis and I realize there is an additional \$10 fee to have this transferred to the FSA's UC Davis DNA database.
- I am hoping this horse is eligible for hardship registration. I have already contacted the FSA. (You must contact the registry first before attempting to submit paperwork and DNA for hardship registration.) There are additional fees for hardship registration.

EVERY MARE, FILLY, STALLION, and NOT-GELDED COLT registered in the USA MUST HAVE A DNA MARKER REPORT ON FILE.

(DNA exemptions: Only GELDINGS are exempt from the DNA requirement.)

You must include at least one of the following:

- Breeder's Certificate or other documentation signed by the STALLION OWNER and the MARE OWNER / BREEDER, verifying parentage and verifying breeding and foaling dates.
- Copy of previously issued registration papers (from a recognized registry.)

SIRE and DAM INFORMATION:

Please submit copies of the sire and dam's registration papers if they are registered.

**** At least one parent MUST be registered. ****

***** You must be able to PROVE via pedigree the horse being registered is part Friesian *****
