MARKINGS OF HORSE

Draw all white markings on the diagram exactly as they appear on the horse from each direction.

Four (4) clear color photos of the horse are requested, but not required. The photos should be taken on each side of the horse (front view, rear view & both sides) with all feet & markings clearly shown. These photos will be maintained by the National Office and will not be returned. We also need signed photo releases from photographers for all copyright pictures.

**APPLICATION FOR AMERICAN WARMBLOOD SOCIETY
 REGISTRATION OR NOMINATION OR RECORDING**

Please type or print with black ink legibly and complete all known information. **Correction fee is \$50 for errors due to illegibility.** AWS clerical errors or undelivered certificates will be corrected/replaced without charge, only if certificate is returned or AWS notification is within 60 days.

All **membership and registration fees** must accompany these application forms. The American Warmblood Society registry office will contact those persons whose application requires special attention. If not contacted, it may be assumed that the papers are being processed. **Please allow sixty (60) days for processing after all requirements are completed** before inquiring. This will eliminate any **unnecessary correspondence**, as all papers will be processed within that length of time. I have read all AWS registration information & requirements.
