**Sport Breeds:** Warmblood\*, Thoroughbred, Georgian Grande, Andalusian, Lusitano, PRE (Spanish). \*some Warmblood registry papers may be subject to pedigree review

**Auxiliary Breeds** (allowed in limited percentages): Saddlebred (maximum 50%), Arabian and draft (maximum 25%.) The remainder of the pedigree must consist of Sport Breeds or Friesian blood in order to be eligible for the Auxiliary Book.

**Non-Sport Breeds:** breeds not listed above as Sport or Auxiliary breeds.

**COP:** "Certificate of Pedigree".

- ALL Friesian Sporthorses must have a minimum 25% Friesian blood for registration. (Exception -- Friesian Warmblood Book.)
- Minimum three generation pedigree required to establish Main, Auxiliary, Foundation, or Friesian Warmblood Book eligibility.
- Friesian Warmblood Book: Friesian combined with Warmblood and/or Thoroughbred only. 12.5% - 24.9% Friesian blood required.
